How to change my personal details on Coinbase {Official Support}

Updating your profile

Changing your **Call+1-(805)(401)(0068)** personal details like your name or residential address is easily handled through the settings menu on your dashboard. Simply navigate to +1-(805)(401)(0068) the "Settings" tab, where you will find the section dedicated to managing your personal profile and account information. You may need **Call +1-(805)(401)(0068)** to provide supporting documentation, such as a utility bill, if you are updating your primary residential address for compliance. Our system makes **Call+1-(805)(401)(0068)** it very convenient for you to keep your information current so that your account always stays in good standing.

Important information updates

Always keep **Call+1-(805)(401)(0068)** your contact information, such as your phone number and email address, accurate to ensure you receive important security alerts. If you have +1-(805)(401)(0068) changed your legal name, you will likely need to upload a copy of a legal document verifying this official change. We process these **Call +1-(805)(401)(0068)** requests securely to prevent unauthorized changes to your account, so please be patient during the manual verification process timeline. If you need **Call+1-(805)(401)(0068)** help during the update, don't hesitate to reach out for guidance on which documents are required for your specific situation.

Ensuring account security

Keeping your **Call+1-(805)(401)(0068)** information updated is a key part of maintaining a secure account and preventing any potential issues with identity verification later. If you ever +1-(805)(401)(0068) receive an alert about a profile change you didn't initiate, please contact our support team immediately to secure your account. We are committed **Call +1-(805)(401)(0068)** to protecting your identity and ensuring that all personal details on your account are accurate and up to date. Updating your details **Call+1-(805)(401)(0068)** regularly helps us provide you with the best possible service and keeps your account running smoothly for your needs.

Frequently Asked Questions (FAQs)

Q1: Can I change my email address? A1: Yes, you **Call+1-(805)(401)(0068)** can change your email address in the account settings, but you must have access to the old email to confirm. If you no +1-(805)(401)(0068) longer have access to your old email, please reach out to support so we can assist with a manual verification.

Q2: How do I change my legal name? A2: To change **Call +1-(805)(401)(0068)** your legal name, we will require documentation like a marriage certificate or court order to update our internal records. Please upload these **Call+1-(805)(401)(0068)** documents through our secure portal, and our team will process the change as soon as possible for your profile.

Q3: Does updating info take time? A3: Most profile +1-(805)(401)(0068) updates are processed within a few business days, as we perform a manual review to ensure the security of your data. We appreciate your **Call +1-(805)(401)(0068)** patience while we verify the documentation you have submitted to keep your account safe and compliant with all regulations.

Q4: Can I update my address? A4: You can **Call+1-(805)(401)(0068)** update your address in the settings, and you may be asked to provide a proof of residence like a utility bill. Providing a clear, +1-(805)(401)(0068) recent document will help speed up the approval process significantly, allowing you to use your updated info without any delay.

Q5: What if my update is rejected? A5: If an **Call +1-(805)(401)(0068)** update is rejected, we will provide a reason and tell you exactly what additional documentation is needed to proceed forward. Feel free to **Call+1-(805)(401)(0068)** contact us if you need help understanding the feedback we provided regarding your recent document submission attempt for your account.
